Week 1/4/7

Activity	Description
Junior MasterChef Burger Making/Pastry Dumpling	<p>Young chefs get hands-on in crafting their own chicken burgers—from shaping patties to assembling fresh toppings—while learning in a fun-filled session.</p> <p>Kids explore the art of dumpling making as they roll dough, prepare sweet fillings, and fold their own delicious pastry dumplings, all while developing confidence and skills in the kitchen.</p>
Mini Soccer and Dinosaur Hunt	<p>A fun and active introduction to soccer where kids learn basic skills like dribbling, passing, and teamwork through playful drills and mini matches—perfect for building confidence and coordination.</p> <p>A thrilling adventure where young explorers search for hidden dinosaur clues and fossils, solving fun challenges along the way—sparking curiosity, imagination, and a love for prehistoric creatures!</p>
Catapult and Popper/Perfume Making	<p>Kids become mini engineers as they build their own catapults and poppers using simple materials, then test them in fun challenges and learning about physics, creativity, and hands-on problem-solving through play.</p> <p>A sensory-filled activity where kids create their own personalized perfumes by blending safe, kid-friendly scents, encouraging creativity, exploration, and an understanding of fragrance and design.</p>
Around the World: Explore Asia	<p>Campers bring stories and scenes to life by designing and building detailed dioramas using craft materials—boosting creativity, storytelling skills, and hands-on artistic expression.</p>
Friendship Games/Team Challenges	<p>Engaging and energetic group activities and carnival games that help kids develop teamwork, communication, and problem-solving skills—all while having fun, making friends, and building confidence in a supportive camp environment.</p>

Week 2/5/7

Activity	Description
Building Blocks and Fort Making	An imaginative, hands-on adventure where kids team up to design and build their own forts using foam mats, color blocks to create a ball pit, encouraging collaboration, problem-solving, and loads of fun!
Mini Basketball and Bath Bomb Making	A fun and energetic introduction to basketball, where kids build coordination, teamwork, and basic skills like dribbling, passing, and shooting through age-appropriate games and activities.
Chemistry Lab and Slime Making	<p>A hands-on science adventure where young scientists explore exciting chemical reactions, colorful experiments, and bubbling fun—sparking curiosity and a love for science in a safe environment</p> <p>A gooey, fun-filled activity where kids mix, stretch, and customize their own slime while learning simple science concepts through creative, hands-on play.</p>
Art & Craft: Diorama	Kids dive into the rich cultures of Asia through creative art and craft projects while exploring colors, textures, and stories from across the continent.
Friendship Games/Team Challenges	High-energy, fun-filled games that encourage teamwork, laughter, and friendly competition, perfect for building friendships and creating memorable moments in any group setting.

Week 3/6/9

Activity	Description
Junior MasterChef Pasta Cannelloni and Pinwheel Danish Making	<p>Young chefs learn to prepare delicious pasta cannelloni by filling pasta tubes with tasty ingredients and baking them to perfection, combining hands-on cooking skills with creativity.</p> <p>Kids roll out dough, spread flavorful fillings, and shape beautiful pinwheel Danishes while discovering the joy of baking and decorating their own sweet treats.</p>
Mini Athletics and Won Pulley Making	<p>A fun and energetic introduction to basketball, where kids build coordination, teamwork, and basic skills like dribbling, passing, and shooting through age-appropriate games and activities.</p> <p>Kids explore the basics of simple machines by building their own working pulley system while learning about mechanics, force, and teamwork through a hands-on, interactive project.</p>
Magnetic Car Track/Race and Marble Run Making	<p>Kids build exciting car tracks using magnetic pieces and then race their cars to the finish line—combining creativity, problem-solving, and friendly competition in a fun, hands-on experience.</p> <p>A creative and hands-on activity where kids design and build intricate marble runs, experimenting with angles and motion to watch their marbles race through twists and turns while boosting problem-solving and engineering skills.</p>
Around the World: Explore Americas	<p>Kids embark on a creative journey through the Americas by making crafts inspired by Native American art, Latin American patterns, and iconic cultural symbols—celebrating diversity and artistic traditions across the continent.</p>
Team-building Games/Carnival Games	<p>A lively mix of cooperative challenges and classic carnival fun where kids work together to solve puzzles and enjoy games like ring toss and bean bag throw—boosting teamwork, coordination, and loads of joyful competition!</p>
