Week 1

Activity	Description
Building Blocks and Fort Making	An imaginative, hands-on adventure where kids team up to design and build their own forts using foam mats, color blocks to create a ball pit, encouraging collaboration, problem-solving, and loads of fun!
Jr MasterChef Meatballs & Mocktail Making	<p>Young chefs get hands-on in crafting meatballs from mashing the meat to rolling it up to shapes and unique sizes! Campers will then add eyes to make the meatballs come alive!</p> <p>Campers explore the different concoction with a wide range of liquids making a variety of taste and colors all centering around Halloween spooky drinks</p>
Arts & Crafts: Egg Drop	Campers will work in groups to design protective layers and wrap them around the eggs. An egg drop will happen to see which groups come up with a creative and invulnerable design!
Glow in the Dark Slime & Elephant Toothpaste	<p>Glow-in-the-dark slime is a fun, stretchy, and squishy slime that glows brightly in the dark after being exposed to light. Perfect for sensory play, science experiments, or spooky fun, it's both entertaining and easy to make</p> <p>Elephant toothpaste is a fun and foamy science experiment that creates an explosive eruption of bubbles, resembling a giant stream of toothpaste.</p>
Find the Wizard	Campers will have to complete challenges and solve riddles to find the identity of a shapeshifting wizard. The activity stimulates thought process and encourages kids to work in groups to claim the prize after finding the wizard

Week 2

Activity	Description
Jr MasterChef Halloween Eggs & Mummy Sausages	<p>Halloween eggs are a spooky twist on the classic appetizer, perfect for Halloween parties. Campers will transform eggs into special colored eggs using their imagination and creativity.</p> <p>Mummy sausages are a fun Halloween activity where sausages or hot dogs are wrapped in strips of dough to look like mini mummies. After baking, they come out golden and spooky, perfect for kids to make and enjoy. Add little eyes with mustard or edible candy for a creepy-cute finishing touch!</p>
Chemistry Lab & Slime Making	<p>A hands-on science adventure where young scientists explore exciting chemical reactions, colorful experiments, and bubbling fun—sparking curiosity and a love for science in a safe environment</p> <p>A gooey, fun-filled activity where kids mix, stretch, and customize their own slime while learning simple science concepts through creative, hands-on play.</p>
Scented Activities & Lava Lamp	<p>This kids' perfume-making kit is perfect for curious minds and creative hands. With gentle, skin-safe ingredients and fun, fruity scents, children can mix and match to create their very own signature perfume.</p> <p>Turn bathtime into a magical adventure with our colorful, kid-friendly bath bombs! Each fizzy bomb explodes with vibrant colors, skin-loving bubbles, and sweet, fruity scents that make bath time something to look forward to.</p> <p>A lava lamp is a fun and colorful science activity that mimics the look of a real lava lamp using simple ingredients. This activity creates a mesmerizing lava-like effect!</p>
Break the Spell	<p>Someone has been cursed! Campers would work together in groups to solve challenges to break the curse and solve the mystery of the magical curse!</p>
